Members Adam Clawson were absent

Guests were Ed Nagle

A motion was made by Larry Gruber and seconded by Ronda Cassens to approve the minutes of the November meeting.

Voted on and approved

The financial report was reviewed with a general discussion of the report.

MANAGERS REPORT

The manger reported that he had to do considerable repair on the hangar door for hangar 9-3. Pieces of the door frame were rotted and were reinforced. In doing the repairs it was noted that the header above the door is showing some signs of rot and deterioration. Discussion was held concerning the need to possibly tear down this wooden structure. It was decided to continue the discussion at a later meeting.

It was also reported that work was done on the REIL's on the north end of the runway. Although the lights worked at that time they are no longer working and additional repairs are going to be necessary.
